**LIFE AFTER CAMPUS**

The Athens Church of Christ would like to formally invite all college students to our **2nd Annual Life After Campus Workshop**.

The workshop runs from **Friday, February 21st to Saturday, February 22nd**. This event is designed to connect 20+ Christian professionals from various fields with 100+ college students in an effort to inspire and equip the next generation of dynamic Christian professionals in our community.

The church is asked to pray for this event to bring glory to God as one generation shares it's wisdom with another. It is our strong belief that our children will do even greater things with the help of meaningful opportunities like Athens Life After Campus.
