THANK YOU: Thanks to everyone for the thoughts and prayers of sympathy at the loss of my oldest brother, who was more like a father than a brother to me because of the 21 year age gap. He was a great man and a minister for over 60 years and had a long, full life. Also, thanks so much for the wonderful hydrangea and fruit basket, such a beautiful arrangement. Love, Annette Saul

At 1:45 AM on Thursday morning, 32 students boarded a bus at the church building headed to St. Louis for the 2014 ICMC “Unshakeable” where they traveled 12 hours to join 3500 campus students for inspiring lessons, amazing fellowship and incredible worship! Some of the campus ministry budget helped to make traveling to the conference affordable for campus students and rising seniors in high school. On the bus were students from seven campus ministries including one student from South Africa. Thank you for your loyal continued support of the campus ministry.

Please be praying for all the students to return home safely and for them to put what they learned at the conference into practice through their faith and trust in our great God.

At that time his voice shook the earth, but now he has promised, “Once more I will shake not only the earth but also the heavens.” The words “once more” indicate the removing of what can be shaken—that is, created things-so that what cannot be shaken may remain. Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe, for our “God is a consuming fire.” ~Hebrews 12:26-29
