Three Days in Jerusalem:

*An Easter Worship Experience*

Sunday, April 8th at 10am

We've all known the end of the Easter story since we were children: Jesus arose! His story has a happy ending. The best ever written. But for the people who lived this story, for those who knew Jesus best and loved him most, they spent three dark days in Jerusalem, thinking their world had come to an end.

Come experience those days with us-the heartache, the healing, and finally, the hope-because only when you've felt the darkness, can you rejoice in the light.
