Sunday, November 4th

In next week's lesson, we will discuss things that are keeping us from making the decision to have Jesus as the Lord of our life, and God our most important relationship. That lesson will be entitled, "**Breaking the alabaster jars of life.**"

Both today's lesson and next week's is designed to help our friends as they search for a fulfilling relationship with God. Please join me in praying for God's Word to have a major impact on us as well as our friends.
