## **CANNED FOOD DRIVE FOR TABI'S**

The fifth graders are heading up a contest to see which class (Prek-4th grade) can bring in the most canned foods. The fifth graders are collecting the canned food for **Tabi's Food Pantry**. They will be collecting the cans from the Prek-4th grade classes through the month of November starting this Sunday (Nov. 4). The class with the most canned foods will get a doughnut party in December. So if you have a Prek-4th grader bring in your canned goods and the fifth graders will come around each Sunday to tally up the cans.

Thanks for your help!

# LIGHT

## Living to Inspire Global Healing Today

*"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world." ~James 1:27*

**LIGHT** (Living to Inspire Global Healing Today) is a 501c3 accredited non-profit organization: we are all passionate about those on the fringes of society--the marginalized, the disenfranchised, the voiceless. We strive to develop small, community based projects centered around all creative forms of sustainability while being effective in our efforts to making a lasting impact. We believe that small-scale, community based NGOs are the most successful tool in the eradication of poverty. As an organization, our core values are to be completely invested in our mission as we take the mindset of humble servants in creating a motivated, hard working atmosphere that can allow us to be a LIGHT to the world.

Please come by and say hi to us in the church lobby. We would love to share our projects with you so that we can raise awareness and ask for your prayers. We have fresh coffee from India and bibles for purchase.

100 percent of the proceeds go to 46 HIV/AIDS infected orphans outside of Chennai, India.
