CANNED FOOD DRIVE FOR TABI'S

The fifth graders are heading up a contest to see which class (Prek-4th grade) can bring in the most canned foods. The fifth graders are collecting the canned food for Tabi's Food Pantry. They will be collecting the cans from the Prek-4th grade classes through the month of November starting this Sunday (Nov. 4). The class with the most canned foods will get a doughnut party in December. So if you have a Prek-4th grader bring in your canned goods and the fifth graders will come around each Sunday to tally up the cans.

Thanks for your help!
