HELP FIGHT HUNGER IN ATHENS

HOPE worldwide's National Youth Advisory Council (NYAC) is organizing a Signature Youth Service Day to fight against hunger nationwide. Representatives from 12 cities around the United States will be arranging a food drive and event to combat hunger in our cities. Our goal is to continue HOPE worldwide's dedication serving the poor and needy in the Athens area through the food drive and Great Banquet. In order to plan our events effectively, I need help raising nonperishable food items for the food bank and Great Banquet. The event will be held on April 21st, 2013 on the UGA Campus at 3pm, we invite all to attend as we give to the people in our immediate community.

Specific food items that we need:

- Breakfast Cereal (12-14 oz boxes)
- Peanut Butter
- Canned Fruit
- Canned Pork and Beans
- Fruit Juices (either juice boxes or jugs)
- Pasta
- Pasta sauce (not meat flavored, please)

This is a list of the most needed things from the Athens Area Emergency Food Bank. Any other nonperishable items will also be greatly appreciated.

Thank you so much for your help!
