**Join the Federal Immediate Disaster Case Management Team!**  
HOPE worldwide is looking to recruit 180 (intermittent) positions for the Immediate Disaster Case Management Program (IDCM).

HOPE worldwide is partnering with Catholic Charities USA (CCUSA) as a national subcontractor to assist in the marketing and recruitment efforts for the Immediate Disaster Case Management (IDCM) program through our national volunteer network.

Our nation expects at least 9 Hurricanes and Tornadoes this season and we want to ensure we are prepared and ready to serve those impacted by natural disasters.

HOPE worldwide is looking to recruit and fill 180 (Intermittent) positions over the next four months. These positions will be utilized to form scalable teams which provide Disaster Case Management services when deployed in the event of a Presidential declared federal natural disaster.

For additional information regarding this new initiative and the eligibility requirement to be a Disaster Team cadre member, contact Nicole Nobles, Disaster Case Management Coordinator at [Nicole.Nobles@hopeww.org](mailto:Nicole.Nobles@hopeww.org).

**Congratulations to our High School Graduates!**

**Carlesa Buchanan**...graduated from North Oconee High School and is planning to attend Kennesaw State University in the fall majoring in genetics. She was very involved in the drama department and was voted "class clown" for senior superlative. We are very proud of her. She would also like to thank everyone for helping her to grow to a beautiful young lady.

**Kati Chacon**...is an honor graduate from North Oconee High School and was voted "best all around" senior superlative by her classmates. She was senior class treasurer, vice president of the drama club (where she was involved in many plays throughout her four years) and is a member of Thespian Society. She was a member of the Yearbook staff and vice president of Leo Club. She participated in work-based learning at Rocky Branch Elementary and started a bible talk on campus her junior year. Kati was awarded a Walton EMC scholarship and will attend University of North Georgia in the fall. We are so very proud of Kati's accomplishments, but even more we are amazed by her love for God and for others and how she uses her talents for Him!

**Hunter Cook**...we are MOST proud of you! You've always proved trustworthy; your integrity is from God, your work ethic is highly respectable. You meet struggles with determination; your righteousness is not compromised; your intelligence is consistently trained by humility; your character lands on the side making your parents look way better than they are. Hunter graduated from Oconee County High School and will be attending Abraham Baldwin Agricultural College (ABAC) in Tifton this fall to pursue a degree in Turf Management. He's ready for the spiritual adventure and to do battle with the books!

**Reid Coy**...graduated in December and is attending Athens Tech. He will major in Auto Collision Repair.

**McCall Ponder**...graduated from North Oconee High School and will be attending University of North Georgia in the fall, majoring in education. Her classmates voted her as the "most spirited" senior superlative. While at NOHS, she lettered in soccer as a member of the Lady Titans Soccer team, completed the Early Education Program, and has participated in the Work Based Learning Program - where she was able to have the great experience of working with the teachers daily at a local elementary. She was also a member of the Latin Club and has been a part of the Jamaica Swamp Corps trips for the past three summers.

**Jessica Williams**...has had a great run of experiences throughout high school. She has served on Swamp Corps trips to Jamaica and Barbados for the last three summers. She has participated in Coaches vs. Cancer in Oconee County. However, one of her biggest passions has been performing in musicals, one acts, show choir, and dance programs at OCHS. Jessica plans to continue her love for the arts by pursuing Theater at Piedmont College in the fall. As her parents and her loving sister, we are so proud of the young woman she has become and the heart she has for others.
