

## Teen and Middle School Lunch TODAY!

Lunch will be served immediately after church in the fellowship courtyard. We will be discussing upcoming summer events, defining goals, and setting a collective focus for the coming months. After the group meeting, each group will meet separately for approximately 15-20 minutes to talk about each specific ministry.

**Please note:** While the high school and middle school budgets are funding this event, we are asking for a **\$5 donation per family** to help offset some of the food costs.

We are asking that all parents plan to attend this event if possible.
