### **VACATION BIBLE SCHOOL - A HUGE SUCCESS!**

Our bodies are tired, but our hearts are full! What an amazing week we had at "Kingdom Rock" Vacation Bible School learning to "Stand Strong" for God through *God's Love, Family & Friends, Prayer, Trusting God, and the Bible*. If you don't have a little one of your own talking about it and singing "Stand Strong," stop an elementary age kid at church today and ask them about their time at VBS. We have heard so many different stories from the kids about how much of an impact this one week was for them. God is great! Each day Seyoung Holte helped us start the morning off by singing, dancing, and worshiping God together. Afterward, the kids split up into different groups (lead mostly by our middle-schoolers with the help of a few teens) and visited our amazing stations.

They learned that the Bible can come alive through "Epic Bible Adventures." Camille Whitworth led the VBSers through 5 different adventures as if they were living them today. They also traveled to the "Imagination Station" where through sciency and fun experiments, Brianne Baine helped each camper find new ways to bring each day's lesson home so they would not be forgotten. Oh, and let's not forget the "Tournament Games" where Beth Spinella helped us to get the wiggles out, grow closer to other kids, and understand the daily lessons in a physical way. As the kids made their trip through "Chadder's Theater," they gained a better understanding for the blessings we have been given and how to help others in our community who are less fortunate. Tim Sanders led us in this station with Chadder the Chipmunk and challenged the kids to bring unopened boxes of cereal to help feed school aged kids who do not normally receive regular meals at home. The day would certainly not be complete without quirky snacks from the "King's Kitchen" to help us to remember our memory verses and fill our bellies.

Thank you very much church family for all your support and help. The kids grew closer to God and each other this week and it could not have happened without your donations and willingness to serve. It is so important to reach this generation and help guide them through life with a solid foundation on God, learning to "Stand Strong for God" no matter what life throws at them!
