

TWO BAPTISMS THIS WEEK!

- **Stephanie Branan** was baptized on Friday night, October 18th. Stephanie is a sophomore at University of Georgia.
- **Paden Janney** was baptized on Sunday morning, October 13th. Paden is a sophomore at University of Georgia.

I waited patiently for God to help me; then he listened and heard my cry. He lifted me out of the pit of despair, out from the bog and the mire, and set my feet on a hard, firm path, and steadied me as I walked along. He has given me a new song to sing, of praises to our God. Now many will hear of the glorious things he did for me, and stand in awe before the Lord, and put their trust in him. Many blessings are given to those who trust the Lord and have no confidence in those who are proud or who trust in idols. O Lord my God, many and many a time you have done great miracles for us, and we are ever in your thoughts. Who else can do such glorious things? No one else can be compared with you. There isn't time to tell of all your wonderful deeds. -Psalm 40:1-5

BLOOD BROTHER

Winner of the 2013 Sundance Film Festival

- US Documentary Grand Jury Award
- US Audience Award

COMING TO CARMIKE 12 ATHENS

NOVEMBER 7th at 7:30 PM

"Blood Brother is THE most important documentary of the year. The double-winning Sundance film tells the story of Rocky Braat, who was searching for something that was missing in his life, and found it in a most unexpected place - an orphanage for AIDS-stricken kids in India. I have seen a lot of documentaries over the years, and none of them have touched me in the way Blood Brother has - this film literally changed our lives. It is easy to forget the problems of the world when you're concerned with things in your life that may bring you a bit down. After you see Blood Brother, your perspective will change forever. Rocky selflessly puts his kids ahead of himself, and he is truly happy now, having filled in that missing hole in his soul with dozens of kids who look up to him and love him like family. As the film spreads across the country this month via it's deal with the Tugg, Inc. service, more and more people will have the chance to see Rocky's story, and more and more people will find their hearts touched with love, laughter, and will find themselves eager to help. I know we did...and still do. I frequently disagree with the folks who attend Sundance when it comes to both audience and jury, but you know what? For once, they both got it right. Do NOT MISS this film."

-TC Kirkham, Indie Film Spotlight

SwampCorps will be visiting the orphanage where Rocky and the children live next summer! Also, several of our campus students have traveled to India to serve at the Orphanage during the summer. If you want a first-hand account, see Camille Schuster, Brianne Radl or Jillian and James Tomol.
